*Daytona 500 ~ February 26, 2012*

Experience the “Great American Race” at the 54th Annual **Daytona 500**. Frequently regarded as the most important and prestigious race on the NASCAR calendar, this once in a lifetime opportunity will take place on February 26, 2012.

Two lucky couples will be flown via private plane from Naples to Daytona, where you will be personally led on an exclusive and up-close tour of the Germain racing pit. It doesn't stop there – you will be introduced to the Germain Racing Team, including driver #13, the one and only **Casey Mears!**

Learn more about the Daytona 500 when you join team owner, Bob Germain, for lunch and conversation at the Germain Racing Motor Coach. Afterward, you will head to the Pits to get “up close and personal” with the race. Walk the track over the grassy tri-oval and onto pit road for pre-race driver's introductions.

Your day ends with cocktails at the Motor Coach and a photo op with driver and car on the starting grid.
