

Lot 106

Anchors Away!

Pack your bags and experience life on the sea aboard this 112' magnificent sailing vessel "Gitana." This voyage for two couples, for up to four sequential nights, will undoubtedly be the trip that dreams are made of. Be prepared to be pampered by a crew of five; a captain, engineer, mate, chef (our best one ever) and stewardess.

Your party will board and de-board from the same place, either at Newport, Rhode Island, or Martha's Vineyard or Nantucket, Massachusetts. Schedule depends upon adequate notice for proper planning of vessel's other usage and upon the mutual agreement between the winning bidders and the owners of the vessel.

The winning bidders are responsible for all dockage, port charges, taxes and gratuities for the crew. The vessel will be stocked with reasonable beverages, wines and spirits but guests may want to bring their own.

Dates of travel to be mutually agreed upon within the range of time beginning July 1, 2012 and ending September 30, 2012.
